

Competitor Contract

Please initial each statement AFTER reading it.

___ I will not speak ill of a teammate or coach, nor will I bully within the team or outside.

___ I will support my teammates, watching their pieces in round and out.

___ I will remember this activity is a learning experience. As such, I will watch at least one out round per tournament.

___ I will fulfill the obligations set before me. I will practice on my own.

___ I will make every effort to attend all practices and tournaments that I am able to.

___ I will consider and incorporate coaches' directives.

___ I will represent my coaches and school with decorum. As such:

___ I will pay attention in round and be a good audience member.

___ I will dress appropriately.

___ I will listen to judge/tournament directives and be on time for rounds.

___ I understand that this is a competitive activity where my coaches have full discretion in deciding whether or not I am prepared enough to be registered for a tournament.

___ I understand that not being 100% memorized the practice before a tournament automatically forfeits my opportunity to compete at that tournament.

___ I understand that event caps exists at tournaments. Some tournaments allow only 2,3,4 or 5 entries per event per school. Choosing to compete in an event where Redeemer has 3 or more slots is acknowledgment that you will perform a showcase for your coaches prior to the tournament in question where they ultimately decide who is most prepared to represent my school.

___ I understand that, in the eyes of my coaches, I am a young adult and will act as such. If there is a problem I see or am involved in, I will make every effort to respectfully, rationally and calmly resolve the dispute by communicating with the party involved and/or my coaches. As a young adult participating in a communication event, I will use my own personal voice to handle situations with my coaches, and will only have my parents intervene in situations if the issue is beyond my capability to handle.

Above all, ___ I will always respect this activity, the education it provides, and the people who volunteer their time that I may profit from it.
